CANCELLATION RIGHTS

Once confirmed in writing as a provisional member, or being notified of your renewal, you have 7 working days from receipt of confirmation / notification to cancel your membership. Within this time you will be entitled to a full refund, which we will refund to you, as soon as we reasonably can, and within 30 days of receiving your cancellation. However, if you have attended an event within those 7 working days and have benefitted from the membership rate, upon cancellation you will be required to pay the balance between the member and non-member rate, which we shall invoice to you separately.
